

SEO plans

Stage 1

- Google My Business / Google Plus
- Google Review Submissions
- On Page SEO
- Site Speed Issues, speed testing
- Google Analytics

One off payment
£150

Stage 2

Local Citations 40 - 45 directory submissions. These are done over a 4 month period submitting 10 per month.

Creating these listings will work alongside stage one of SEO. Your address details will need to be present on the website for google to recognise your business.

Reports of submissions will be given to you each month of progress. With these submissions you may get phone calls from the directories trying to sell products or just confirm your account.

Split payments
x2 payments of £150

First payment required as deposit.
Second payment required after two months. **Stage 1 & 2 can be completed at the same time which is advised.**
